

DID YOU KNOW..?

CASLPO NEEDS YOUR E-MAIL?

DATED January, 2013

CASLPO uses your email address as the first and foremost medium for communicating with you. For this reason, we must have a valid email address in order to inform you regarding virtually all of the activities of the College including:

- new documents
- registration renewals
- quality assurance participation (notice of peer assessment)
- surveys
- membership input to practice standards
- elections

It is expected that in order for members to meet the professional standards as described in the [Quality Assurance Regulation, 2012](#) (Section 2(2)1.iii) they must remain current in clinical practice, including advances in technology. It is therefore assumed that each member has the ability to access email, at a minimum.

Furthermore, the [CASLPO By-Law 2011-6](#), (Section 8.1.3) states members must provide, when requested, their email address.

Please contact CASLPO as soon as possible if you have not provided us with a current email address.

Please mention this to your colleagues if you think they may have missed this message.

If you have any questions or comments, please feel free to contact us at caslpo@caslpo.com or phone us at 416-975-5347 or 1-800-993-9459.
