**College of Audiologists and Speech-Language Pathologists of Ontario
25th Anniversary**

Dear friends,

I would like to extend my congratulations to the membership of the College of Audiologists and Speech-Language Pathologists of Ontario on the occasion of your 25th anniversary.

You have had a profound effect on people across our province. Since the College first opened, the membership of your organization has more than doubled, translating into better access to care for Ontarians.

Our government made a commitment to modernize the health care system and centre it on the needs of patients, families and caregivers. We are working with and listening to our partners, like the College, to help us find other innovative solutions to build a public health care system that truly works for the people of Ontario.

On behalf of all Ontarians, I thank you for your important contributions to audiology and speech pathology in our province.

Once again, congratulations.

Sincerely,

A handwritten signature in blue ink that reads "Christine J. Elliott".

Christine Elliott
Minister
