Subject: CASLPO Identification for Vaccination Rollout

College of Audiologists and
Speech-Language Pathologists of Ontario
Ordre des audiologistes et
des orthophonistes de l'Ontario

March 16, 2021

To: All CASLPO Registrants (Please share with CASLPO Colleagues)

The College has been working with Public Health Units, acting as a conduit to forward information on their behalf regarding vaccination for COVID-19. **Please note: each Public Health Unit is developing its own vaccine rollout and the College may or may not be involved with the distribution of information.**

We recognize there may be requests for registrants to provide identification or evidence of their registration as a health professional. We understand letters from employers or pay stubs may be acceptable to confirm eligibility.

Registrants may wish to pull up or take a screen shot of their profile on CASLPO's public register at [Find an Audiologist or Speech-Language Pathologist](#) on their phone for proof of CASLPO registration. Alternatively, CASLPO registrants can print their renewal summary and receipt for 2020 from their registrant portal account for proof of registration.

Audiologists and Speech-Language Pathologists are encouraged to monitor their local Public Health Unit's website for information about vaccine distribution plans. [Find your local public health unit.](#)

As we work together in addressing COVID-19, we are here to help you.

Please **DO NOT Unsubscribe if you are a CASLPO registrant**. If audiologist and speech-language pathologist registrants 'unsubscribe from this list' you will be contacted by the College to re-subscribe. All registrants are required to receive information from the College regarding renewal, Quality Assurance requirements, practice advice and other important College programs and updates. CASLPO works on the assumption that all of our registrants get all of our emails. We strive to keep communication relevant and to a minimum. Thank you.
