Subject: Minister's Order - Requirement to Provide Information Respecting Supplies of Personal Protective Equipment (PPE)

College of Audiologists and
Speech-Language Pathologists of Ontario
Ordre des audiologistes et
des orthophonistes de l'Ontario

April 1, 2020

To: All CASLPO Registrants (*Please share with CASLPO Colleagues*)

Ontario's Minister of Health recently ordered several health organizations to report their daily supply of personal protective equipment (PPE). [View the order.](#)

This order may apply to places where audiologists and speech-language pathologists work, and we encourage anyone working in these settings to bring this order to the attention of their employer.

The order notes that non-acute organizations must complete a spreadsheet. Since the order was released, the Ministry has provided an update, instead asking non-acute sectors to complete a survey each day and submit it by 5 p.m.

If you feel that this order applies to your employment setting and your employer has not received a survey, email the Ministry of Health's Emergency Operations Centre at Eocoperations.moh@ontario.ca.

If you have questions, please contact us at: [Practice Advice Team](#)

Brian O'Riordan
Registrar
