Subject: Professional Liability Insurance Coverage During the Pandemic

College of Audiologists and
Speech-Language Pathologists of Ontario
Ordre des audiologistes et
des orthophonistes de l'Ontario

To: All CASLPO Registrants (*Please share with CASLPO Colleagues*)

During the pandemic, it is important for registrants to maintain their professional liability insurance (PLI) coverage.

PLI can financially protect you if a court awards patients financial damages in a malpractice lawsuit.

If you are a general or initial registrant who has lost your PLI coverage as a result of losing your job due to the pandemic, you must obtain PLI coverage while you are unemployed so that you continue to meet CASLPO's requirement for PLI coverage outlined in [CASLPO By-law #6](#).

PLI coverage may be obtained through your professional association membership:

- [Speech-Language & Audiology Canada \(SAC\)](#)
- [Ontario Association of Speech-Language Pathologists and Audiologists \(OSLA\)](#)
- [Canadian Academy of Audiology \(CAA\)](#)

PLI coverage may also be obtained through one of the following insurance providers:

- [Cowan Insurance Group](#)
- [Intact Insurance](#)
- [AIG Toronto](#)
- [Willis Towers Watson](#)

Please note that CASLPO does not endorse any of the above providers. Registrants are responsible for conducting their own research and may do business with any insurance provider that is best suited to their needs.

For more information about PLI, refer to [CASLPO Renewal FAQs 22-25](#).

Thank you.

Please **DO NOT Unsubscribe if you are a CASLPO registrant**. If audiologist and speech-language pathologist registrants 'unsubscribe from this list' you will be contacted by the College to re-subscribe. All registrants are required to receive information from the College regarding renewal, Quality Assurance requirements, practice advice and other important College programs and updates. CASLPO works on the assumption that all of our registrants get all of our emails. We strive to keep communication relevant and to a minimum. Thank you.
